

SYSTEM NOTICE - SEZ ONLINE SYSTEM

No.: NDML/SEZ Online/2025/78

Date: 20th November 2025

User Group: All SEZ Units, Developers, Co-developers, Customs and DC Offices

Subject: Upcoming SEZ Online | New Design Theme

We are delighted to inform that SEZ Online experience is being enhanced from User Interface (UI) / design (UX) perspective where you will be able to access / navigate through SEZ Online login and corresponding transaction processing pages swiftly and seamlessly.

This new interface not only covers smooth navigation but introduces colour standardization, fixing forms cosmetics, navigation/sorting related features, usability aspects and a modern user-friendly experience.

This notice is being put up to prevent any confusion among user group so that you can continue with transaction preparation and processing without any doubt.

Kindly note, the new theme is currently under testing phase in our pilot environment, and it would be released by 25th or 30th making it available to all. The above snippets of our login screen showing how the new theme would look like. Would kindly request you all to go through the screen shots given below in this notice and inform your fellow users who have not seen this, so that when this goes live, we are sure that all our users are aware of it.

Important Note: Core functioning and workflows of all modules remain the same. No form level/field structure level changes are made so you will be able to proceed as is with new look and feel.

Know the difference.

Special Economic Zone (SEZ) includes making available goods and services free of taxes and duties, supported by integrated world class infrastructure for export production, expeditious and single window mechanism (both for Central and State Government related approvals) and a package of incentives to attract foreign and domestic investments for promoting export led growth.

SEZ Online has been developed and implemented as per the directive of Department of Commerce, Ministry of Commerce & Industry and the system enables electronic filing and processing of important SEZ related transactions that SEZ Developers, Co-Developers and Units have with SEZ administration. The system facilitates Uniform Validations and Processes across all Zones / Units, Electronic filing & processing, Transparency in Government transactions and Internet based Access and Use from Anywhere for Convenience.

Latest updates

SEZ Online will not be available on Tuesday 11th Nov 2025 between 08:00PM to 08:30 PM due to maintenance activities.
