

SYSTEM NOTICE - SEZ ONLINE SYSTEM

No.: NDML/SEZ Online/2026/88

Date: 16th September 2026

User Group: All SEZ Units, Developers, Co-developers, Customs and DC Offices

Subject: Two-Factor Authentication (2FA)

Dear Sir/Madam,

Kindly note that Login based on 2-factor authentication will now be made mandatory effective 23.09.2026. A facility to turn off 2-FA login was made available as a transitional measure so that all users can verify their mobile numbers on the system and start logging in with 2-factor authentication. (Kindly refer to Release Note V3.0, issued under Important Notice No. NDML/SEZ Online/2026/86 dated 21.05.2026)

With most users successfully migrated to Two-Factor Authentication (2FA) for secure login, the transitional facility to disable 2FA will be withdrawn.

Users who have not yet completed the verification of their registered mobile number and email address are requested to complete the verification process on or before the above-mentioned date to ensure uninterrupted access to the system.

Users are requested to take note of the above and complete the necessary action within the stipulated timeline.
