

SYSTEM NOTICE - SEZ ONLINE SYSTEM

No.: NDML/SEZ Online/2023/61

Date: 31st January, 2023

User Group: All SEZ Units, Developers, Co-developers, Customs and DC Offices
Subject: SEZ Online System - Handling of Budget Announcements

As you are aware the Union budget will be presented tomorrow, 1st February 2023. Accordingly, the changes *which* will get announced in the applicable duties and notifications will be taken-up for updation in SEZ Online system after receipt of notifications. Once the updation is completed, the same will be notified to the users by issuing system notice.

However, till the time the updations get completed, system will populate the duties as per existing rate / notification structure. You are requested to take note of the same and exercise diligence to ensure that there is no duty variation. It may be noted that if any transactions are filed and assessed with old rates (on or after 1st February 23 till completion of Updation activity) it may require re-assessment.
